Attachment 2

Services are available to residents of Kansas City, Missouri. Individuals must complete an application and be approved to participate in the program.

**Missouri Kidney Program (MOKP)** MOKP provides reimbursement for transportation expenses for dialysis patients who do not have access to transportation to dialysis treatment. Dialysis patients who need assistance with transportation to dialysis services should contact the dialysis center.

**Bi-State Development Call-A-Ride** Call-A-Ride provides curb-to-curb accessible transportation to persons with disabilities and the elderly who reside in St. Louis City and County.

**City Utilities of Springfield** City Utilities operates a para-transit service to serve disabled who are unable to ride a fixed route bus. This service is operated on a demand-responsive curb to curb basis. A one-day notice is required for reservations.

**Jefferson City Transit System, Handi-Wheels** Handi-Wheels is a curb-to-curb, origin to destination transportation service with wheelchair, lift-equipped buses. Handi-Wheels is provided to all eligible individuals with disability without priority given for trip purpose. Handi-Wheels is intended to be used by individuals who, because of disability, cannot travel to or from a regular fixed route bus stop or cannot get on, ride, or get off a regular fixed route bus not wheelchair lift-equipped. This service operates to and from any location within Jefferson City.

**Nevada Regional Medical Center (NRMC)** NRMC transports individuals who live within a 30 mile radius of Nevada.

**Pike County Area Agency for Developmental Disabilities** Non-emergency Transportation services are provided to community residents with developmental disabilities.
